Introduction

The Directors and management of Sol Services Ltd are committed to operate every aspect of the business to those standards that offer the highest possible quality of service to all clients. This is supported by a progressive management style that encourages the Quality culture throughout the company.

Commitments

The management are committed to the continuous improvement of the Quality Management System by establishing and reviewing quality objectives for all areas of the company.

Objective

In 2020, the objective of the company is the continued search for improvement and growth. The effectiveness of the Quality Management System will be monitored by planned audits, management reviews and effective corrective and preventive action.

Responsibility

It is the responsibility of all personnel to ensure that this policy is followed at all times and staff are encouraged to demonstrate their support by continuous active participation.

Monitoring and Review

This policy will be reviewed annually or whenever a significant change occurs.
